Holiday at the Hollow! Sunday, December 13, 1-3 pm

Share the spirit of the holiday season as we gather and learn about holiday cultures from around the world at our Visitor Center. Stations will be set up so children can wander and learn about multiple cultures. At each station, enjoy a sample of traditional food or create a craft oriented to that culture.

Old Saint Nick will be wandering around handing out treats to all the kids.

Listen to live holiday music, warm-up with a cup of hot chocolate, and browse the gift shop for that special gift. Enjoy discounts on select store items, this day only.

If you haven't already, you can purchase your tree and wreaths.

Fun for all ages!

Free admission. Donations appreciated.
