Environmental Education

Could you Survive in the Wilderness?

Introducing our new, *inter-disciplinary* middle school
Environmental Education program!

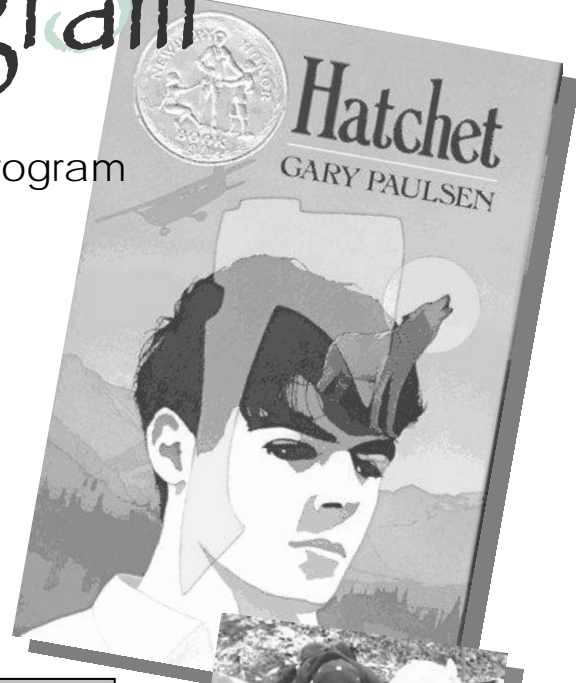

Hatchet Program

Based on survival techniques adapted from
Gary Paulsen's Hatchet, our new middle school program
engages students in exciting hands-on learning!

- Shelter Construction!
- Water Purification!
- Edible Foods!
- Fire Building!

Four exciting activities are designed to
supplement your curriculum with enriching,
hands-on skills! Also, it's a great team-building
experience!

Don't delay, contact Lime Hollow for more information
or to reserve your date! Also, special financial assistance
opportunities are available for qualifying schools, please call for details!
