What to Expect:

Nature's Keepers is a multi-sensory approach to exploring the outdoors. Lessons are nature-oriented, and locally relevant. Nature's Keepers encourages imagination, creativity, curiosity and exploration. Children will participate in activities like outdoor exploration, stories, games, crafts, songs, and more. Classes will venture out on daily hikes to explore the Sunset Trail so please be **prepared to be outside.**

Parents/guardians have the option to stay and learn with the children, or leave them with a trained Lime Hollow staff member for the duration of the class. Only for children with previous experience attending programs alone, and who is toilet independent may stay with a Lime Hollow staff member without a parent/guardian.
